PRESIDENT'S NOTE

Hello Ladies,

I hope everyone is having a terrific summer! I know many of us have taken advantage of the summer months to use vacation time. I'm a firm believer that vacation days are earned, and the time should be used to refresh and reboot. Coming back to the office after some healthy vacation time makes us all more productive and engaged performers. As they say, 'Use it, or lose it.' My advice is to make the most of this time, and use it!

This month is our joint meeting with the members of the American Association of Drilling Engineers (AADE) Houston chapter. As one of our largest attended meetings of the year, I always look forward to this joint meeting. It is truly an awesome opportunity to network and catch up with our industry colleagues.

Planning is well underway for our 20th annual golf tournament. The golf committee is hard at work coordinating the logistics, sponsorships, and prizes. Save the date for Monday, November 2nd! The traditional tournament will be hosted this year at Longwood Golf Club. Please reach out to Leslie Hoffman and Renee Brown to find out how you can support this event.

The 2015 Women of Excellence Gala hosted by the Federation of Houston Professional Women (FHPW) is right around the corner on September 12th. Please join me in attending this event to honor our very own Martha Kveton. SPWP has reserved a table at the gala and there are still seats available. Don't delay, and let me know if you are interested in attending.

Remember to 'Like' us on Facebook for the latest SPWP updates!

Sincerely,
Kelsey Hulett

JULY MINUTES

SPWP President, Kelsey Hulett, called the meeting to order at the Westchase Marriott on July 9, 2015 at 7:33 a.m. All members were welcomed and the Board of Directors was introduced. Kelsey asked for a motion to approve the June minutes as written, which was given by Sylvia Garcia and seconded by Renee' Brown.

Angie Chappell introduced Alli Bequette, HR Communications Manager and former scholarship recipient, as our guest speaker. Alli's presentation, "Your Journey of Yes," provided insightful information for our scholarship recipients in attendance. Angie thanked Alli for her hard work and presentation and offered her a gift to show our appreciation.

Kelsey introduced Lauren Jijina and Kara Ellis, scholarship chairs. Lauren and Kara introduced our scholarship recipients. This year, we had nine recipients and were able to provide \$45K in scholarships. Each recipient in attendance stepped up to the podium and read her speech. For those unable to attend, Lauren and Kara read their speeches.

Kelsey asked the membership to submit any ideas for industry specific speakers to her or Angie Chappell for our 2016 meetings.

Kelsey announced that we will need the membership to begin forming a nominating committee and begin looking for members to run for the Board. Kelsey will be asking for volunteers in September, volunteers will be introduced in October, and Board elections will be held in November. This committee is low-key and requires minimal time commitment.

Jacqueline Camacho introduced, presented with name badge, and welcomed our newest member Erin Borstmayer.

Renee' Brown provided an update for the golf committee. Our golf tournament will be November 2nd, 2015 at Longwood. We will have a new game this year, Par Three Poker. We will not have ditty bags this year; instead, we will be having Tervis cups to commemorate our 20th year. We will need golf ball and tee donations for the cups. Please contact Leslie or Renee' if you'd like to volunteer. The Save the Date will be sent out by the end of July and the registration form will be sent soon after.

Kelsey provided an update for social events. Maria sent out a survey for our next social event and there was a mixed bag of indoor and outdoor activities. Maria will begin planning an event for August at Pinot's Pallet and will send out more information. We will need a maximum headcount of 20.

Kelsey reminded the membership that the next FHPW quarterly event will be held Monday, July 27th, 2015 at the Norris Conference Center. The topic will be: Women Leaders Making a Difference in Business. The 2015 Woman of Excellence Gala will be held September 12th, 2015. If members would like to attend either event, please contact Kelsey, Martha Kveton, Yasmina Rousan or our FHPW delegates, Leslie Hoffman and Renee' Brown. Tickets for the gala are \$110.

Kelsey announced Jessica Bradley and Jerri Babin as our Volunteers of the Month and Sydney Vanderhider as our Featured Member of the Month.

Kelsey announced July birthdays, invited 10 guests to stand and introduce themselves, reminded everyone to "Like" us on Facebook, reminded the membership that our next meeting will be held August 13th, 2015, and then requested announcements from the floor. Having no announcements from the floor, Kelsey thanked all SPWP members for attending the breakfast meeting and adjourned at 8:45 am.

Respectfully Submitted,

Jacqueline Camacho

P.O. Box 420957
Houston, Texas 77242

WWW.SPWP.ORG

The **Society of Professional Women in Petroleum** is incorporated as a non-profit organization that was formed in early 1981. The organization was formed to support professional career women in the petroleum industry through technology and information.

Through monthly breakfast meetings and special seminars, SPWP covers all aspects of drilling and production operations and constantly seeks to further expand these parameters of knowledge. Much of this is achieved through the tremendous support of the companies and the individuals who appreciate SPWP's serious dedication and share this technology and information.

SPWP's membership consists of women who have active careers in oil related fields, such as Engineering, Geology Sales, Research, Finance, Law, Quality Assurance, Purchasing, Advertising and Marketing. Memberships are available through sponsorship.

SPWP provides scholarships to Houston-area high school seniors entering a Texas college. This scholarship promotes young women in need of financial aid. Our scholarship fund is a direct result of our member's dedication to promoting education. The Houston petroleum industry and SPWP membership support our fund raisers. Our fundraisers to date have included crawfish boils, barbecues, golf tournaments and casino nights.
